

Now, adults age 60+
in **Phoenix** have
a better choice in
primary care.

At ArchWell Health, your health and wellness is our top priority. Our personalized plans focus on preventive care to catch small issues before they become serious, so you can enjoy life to its fullest.

Personalized care model

We personalize your care by listening to you, routine lab work and preventive screenings.

Accessible facilities

Our centers are designed with the needs of adults age 60+ in mind.

Preventive approach

We use preventive healthcare screenings to catch small problems before they get serious.

Convenient locations

We're located in your neighborhood where you live, work, and thrive.

More time with your doctor

Our providers take the time to make sure you feel seen and heard.

24/7 availability

Same-day appointments are available for urgent care needs. You can also reach us by phone or through our app anytime.

Vibrant community

Each location has an activity center for fitness classes, games, and opportunities to connect with other members.
